Bologna, May 10-11th 2009

SECURITY, PRIVACY ANONIMITY

G8G20Gaming - Planet S. P. A.

The aim of this exercise, which is getting more and more appreciated from Associations, Firms and International Press, is to underline the leadership and growth skills in this thorny and essential for the global envelopment.

These two professional days will give us the chance to estimate ourselves and to build together with the whole participants a final shared file. This document will be easy to apply and to spread all over, to all those who work in this area and the mass media. It will be also sent to the official promoters of the G8 which will take place in L'Aquila from 8 to 10 July 2009.

G8Game, starting from a role playing, has a sure feedback and a considerable scientific validity.

Organized by:

Alma Graduate School, Studio Legale Finocchiaro e GAP Associati

With the contribution of:

With the partnership of:

AIPSA, ANSSAIF, ASIS International – Chapter Italy, CLUSIT, BCMANAGER, DRI

With the sponsorship of:

Bologna, April 30th 2009

Illustrious colleague,

It's a great pleasure for us to confirm the new edition of **G8/G20 Gaming Planet S.P.A. (Security, Privacy and Anonymity)** which will take place in Bologna starting from 7.00 p.m. of Sunday, 10th May 2009 to 6.00 p.m. of Monday, 11th May 2009.

The next **G8/G20 Gaming** was possible with the contribution of Alma Graduate School, the Information Technology, Management and Communication School of Bologna; Studio Legale Finocchiaro, the Lawyer's Office specialized in IT and Internet Law and the creators of the role playing, Paola Guerra e Alberto Anfossi from GAP Associates – Culture, Communication & Consulting.

Precious to the realization of this edition it has been, moreover, the support of the following sponsors and partner: @**Mediaservice.net**, **Nest** and **SonicWall Italia**, authoritative protagonist in the Information Security and **Performance Strategies** – Distributor of G8/G20Gaming for Italy and Arab Emirates.

Thanks to the case history/documentation produced by the participants during these six years of formative and scientific events, on April, 15th 2009 we were honoured to get an international and prestigious merit: the patronage of **UNICRI**, the United Nations Interregional Crime and Justice Research, whose activity on applied research, education, technical cooperation and information sharing about crime prevention and criminal justice.

In this edition the works will be supported by some important partners: **AIPSA** – Associazione Italiana Professionisti di Security Aziendale - Italian National Association of Corporate Security Professionals; **ANSSAIF** – Associazione Nazionale Specialisti Sicurezza Intermediari Finanziari, National Association Security Specialists Financial Institute; **ASIS International** – Chapter Italy, **CLUSIT** – Associazione Italiana per la Sicurezza Informatica – Italian Association for the IT Security, **BCManager** – Business Continuity Manager, **DRI** – The Institute for Continuity Management.

We are so glad to confirm that we enclose you to the restrict circle of the participants to the works of this extraordinary event, conscious of your professional know-how, co-ordination and management skills, and of your generosity and will to make them available to increase security culture.

For us is extremely important to realize education instruments of sure impact in the strengthening of the business political in security topic.

We remind you that our Gaming, starting from a role playing, has a sure feedback and a considerable scientific validity. We are certain to relay on your precious collaboration to make this edition on so vital themes important.

Looking forward to meet you in Bologna, from Sunday, 10th may 2009 at 7.00 p.m, with compliments for your professional dedication.
